World AIDS Day 1st December, 2021

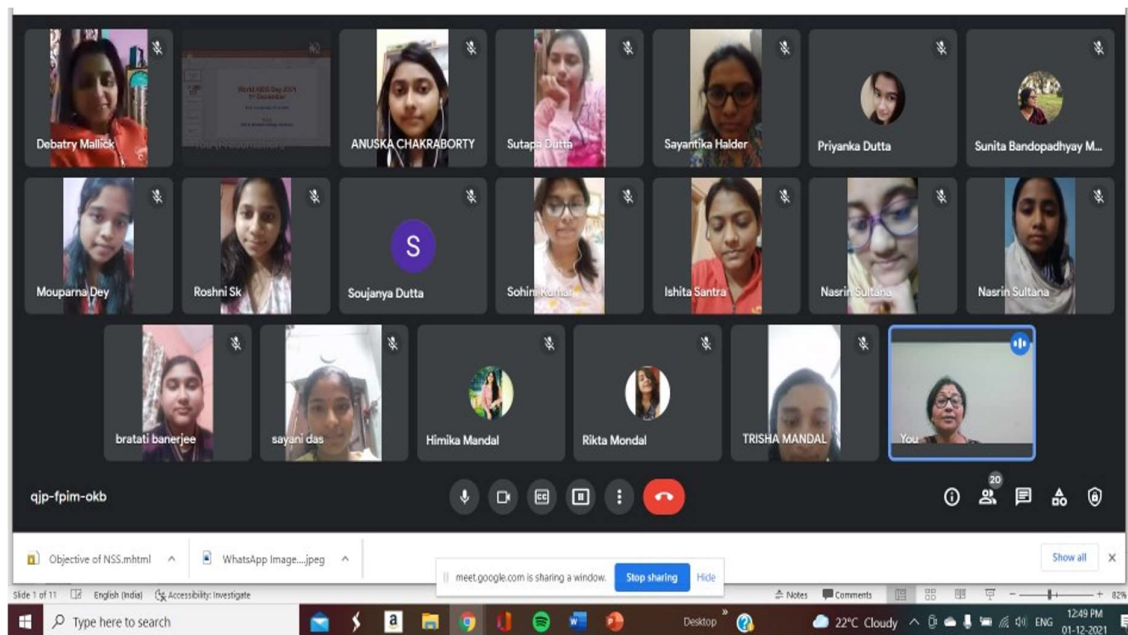

End inequalities. End AIDS

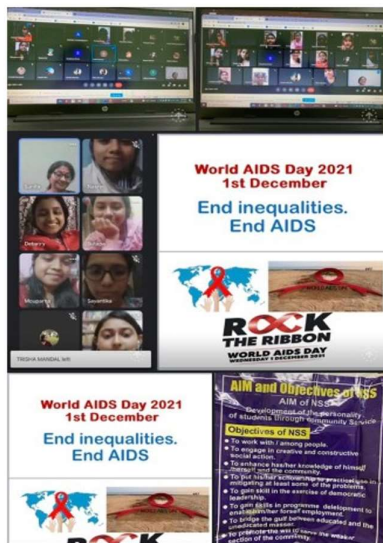

Online Celebration

by

N.S.S- Unit 1 & 2

M.U.C. Women's College, Burdwan

- **The theme of World AIDS Day 2021 is 'End inequalities. End AIDS.'**
- **A red ribbon is used to depict HIV AIDS. It is an awareness ribbon used as a symbol of solidarity.**
- ✓ **The purpose of its celebration is to make people aware of Acquired immunodeficiency syndrome (AIDS) and what leads to it.**
- **The spread of Human Immunodeficiency Virus infection (HIV) leads to AIDS which attacks the immune system of a person**
- **It is a serious disease in which the ability of humans to fight infections is adversely affected**

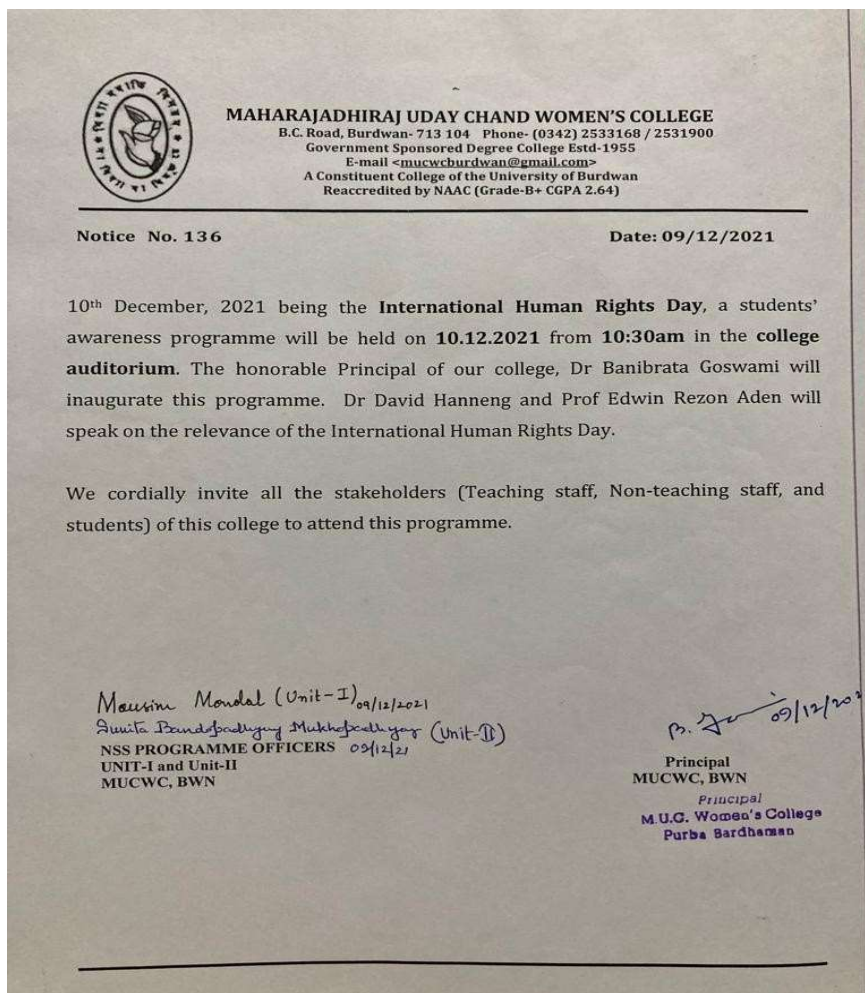

How does the HIV virus spread? Causes

- **A pregnant woman can have this infection from her childre**
This infection can also happen to the baby through breastfeeding
- **HIV virus can also be spread by transfusing infected blood using infected needles**
- **The HIVnfectd person also has the highest risk of infectic from a donated organ**
- **There are many reasons for the spread of this virus. One of the biggest reasons is having unprotected sex with an HIVnfectd person.**
