Bangalore-560072.

Sir,

This is to draw your attention to the fact that MUC Women's College, established in 1955, was accredited (B++) by NAAC in Aug 2004. The Annual Report for 2004-05 & 2005-06 were sent earlier on by the college.

Enclosed please find the Annual Report for 2006-2007 academic session. Incidentally, the college GB has reconstituted both the QAC and IQAC and Dr Sukumar Ghosh, Reader, Department of Botany, has been nominated as the new Coordinator, IQAC.

Please accept and oblige.

With regards,

Yours faithfully,

The Annual Quality Assurance Report (AQAR) of the IQAC

Name of the Institution: **MUC WOMEN'S COLLEGE, BURDWAN**

Year of Report : **2006 – 2007 (From 1st July 2006 to 30th June 2007)**

Part A :

Since the formation of IQAC the college has been trying to ensure quality education for the students and also working towards widening the scope for their employability. To achieve these goals the following aspects have always been prioritized:

- Releasing the faculty to attend Seminars, Orientation and Refresher Courses
- Improvement of Infrastructure
- Organizing Seminars, Workshops sponsored by the UGC and on the initiative of the college
- Installing audio-system for newly built larger classrooms
- More effective engagement in community services
- Regular and meaningful evaluation of teachers' performance
- Getting feedback from students for the development of the institution
- Introduction of skill oriented courses
- Compulsory Computer and Communicative English Education for all students.

Remarkable success has been achieved in most of the areas as evident from Section B of the Annual Report.

The Annual Quality Assurance Report (AQAR) of the IQAC

Name of the Institution: **MUC WOMEN'S COLLEGE, BURDWAN**

Year of Report : **2006 – 2007**

Part B:

1. Activities reflecting the Goals and Objectives of the Institution:

The College has formulated its goals and objectives towards which all its activities throughout the year have been oriented.

The professed goals are empowerment of women, acquisition of better personality, skill-development, college-society interface, and life-long belongingness to the institution.

During 2006-07 academic session the college organized an interdepartmental lecture competition on 'Law and Emancipation of Women' on 15/12/06. Besides, two students, Barsha Chakraborty and Samayeeta Biswas, represented the college to a three-day awareness Camp entitled 'Understanding gender', organized by School of Women Studies, Jadavpur University on 11-13 January 2007. The College also sent a team of 15 advanced learners to a Workshop on '**Adolescent Crisis & Prevention**' held at Zilla Parishad Hall, Burdwan on 21/4/07 of which Dr. Asit Patra and Dr. Mainak Mukherjee, both eminent psychiatrists, were speakers. Through the competition and workshop the goal of women empowerment was addressed.

With the help of Chirayata, the College Alumni Association a talent profile of the mentally and physically challenged students of five local schools for the disabled was organized in the college. This was an endeavour to promote the causes of the 'Otherwise able' children not belonging to the main stream.

The College organized a Thalassemia Carrier Detection Camp with the help of Himadri Memorial Cancer

Welfare Trust on 26/8/06. As many as 804 students and staff benefited from the Programme.

Another programme on mushroom cultivation and demonstration regarding use of smokeless oven was carried out on 24/02/07.

Mushroom cultivation

Apart from these, through Blood Group detection Programme on 26/02/07, sight power determination Programme on 28/02/07, deworming of children Programme on 28/02/07, – all programmes carried out by the NSS Unit of the college, helped the college to reach out to the community to which it belongs.

Deworming of children Programme on 28/02/07

The skill orientation of learners was effectively pursued by introducing Crash Course in Communicative English and Basic Computer Literacy for all students. Besides, the students of

Zoology Hons. were specially trained up in the skill of testing human Blood Group and as NSS volunteers many of them under the guidance of a Doctor tested the Group of Blood of 251 students of two primary schools in the adopted ward at Goda (Ward no. 26), Burdwan.

Participation of some students of this college in a Seminar 'Healthy Youth Healthy India' held at B.U on 11-12 February 2007, of two NSS volunteers – Juin Adhikari & Banti Roy in National Integration Camp at New Delhi on 7-11 May 07 and the involvement of general students in interactive social programmes on auspicious occasions like Independence Day and Republic Day have helped them a lot to emerge as better personalities.

The infra-structural development, academic ambience, welfare schemes, extension activities and co-curricular activities of the college have enabled the students to leave the college with a sweet memory. Many of them have joined the Alumni Association out of an emotional bond with this college.

2. New academic programmes initiated:

In order to enhance the expressive competence of the learners in English and make them computer literate the college introduced two Crash Courses in Communicative English and Computer Basics. Both the courses are customized for general students and are likely to be immensely helpful to the learners.

3. Innovation in curricular design and transaction

Student centred learning activity is always prioritized by the faculty. On 15 December 2006 a competition was held on the topic 'Law and Emancipation of Women'. Students were helped with materials and encouraged to deliver a talk on the topic. Sweta Singh of the Department of English received the 1st prize for her impressive talk on the topic.

4. Inter-disciplinary programmes started:

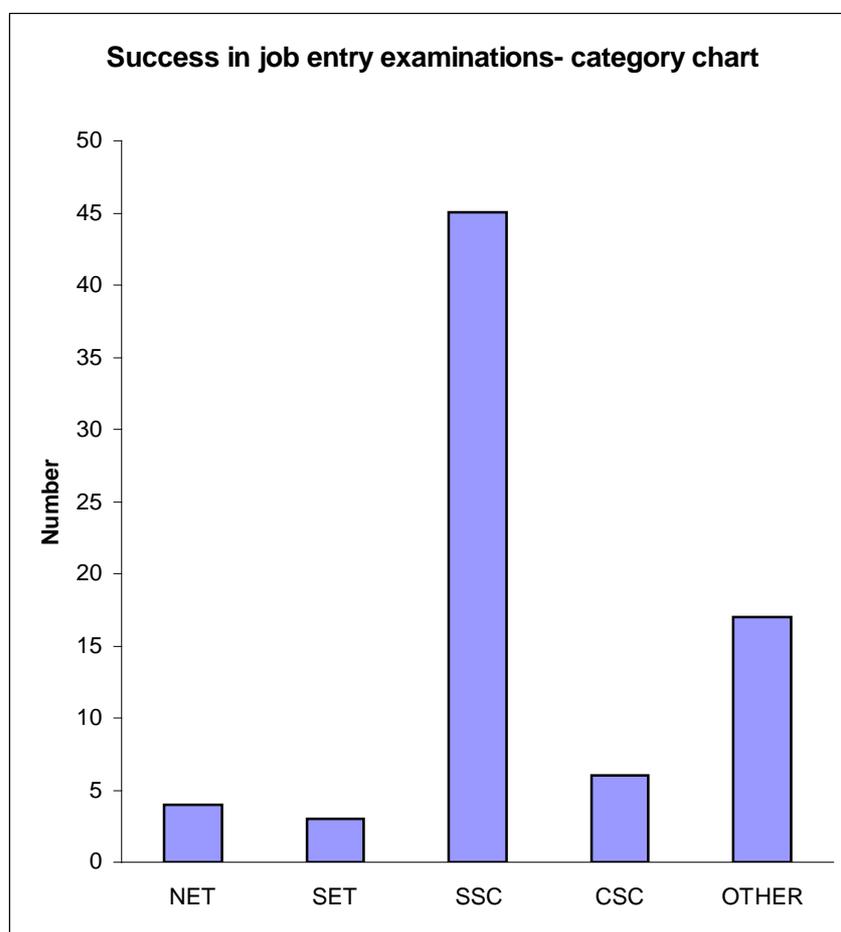

Inter-disciplinary mode of teaching is generally practised in some overlapping components in the curriculum designed for the departments of Microbiology, Environmental Studies and Statistics. An Interdisciplinary Workshop on Bio-Diversity was held on 12 April 2006. It was inaugurated by Prof. Aurobinda Das, Vice-Chancellor, Kalyani University. Prof. Amit Kr. Mallick Vice-Chancellor B.U. was the Chief Guest and Dr. Subrata Gupta, District Magistrate was the Guest of Honour. It was resolved that the college faculty, especially of the Departments of Zoology, Botany, Geography will help preparing a Bio-Diversity Map of the District of Burdwan.

5. Examination reforms implemented:

The performance of the learners in Class-Tests is taken into account where due to illness or on any other valid ground they fail to appear in the Test Examination preceding the University Examination.

6. Candidates qualified: NET / SET / GATE / SSC/ CSC / PSB

NET:	04
SET:	03
SSC:	45
CSC:	06
OTHERS:	17

7. Initiative towards faculty development programme:

The College feels that all other developments in the field of Higher Education are meaningless minus faculty development. MUC Women's College encourages faculty development through –

- Grant of Study Leave
- Releasing teachers and other staff to attend Orientation Course, Refresher Course etc.

- Encouraging teaches to attend seminars, symposia, workshops, academic conferences organized by various academic bodies.
- Organizing seminars in the college and thus giving them scope for better interaction with Resource Persons from various fields.
- Motivating the faculty to take up Minor Research Projects and publish papers regularly.

Staff-members who enriched themselves during 2006 – 07 academic session from all such Faculty Development Programmes are:
