Promoting Research Excellence in Academics across West Bengal
16th – 17th August 2022

West Bengal State Council of Higher Education in collaboration with Elsevier is organizing a Two days' Workshop to promote Research Excellence in Academics across West Bengal.

Theme	Promoting Research Excellence in Academics across West Bengal
Date	16 th – 17 th August (Two Days)
Venue	Virtual
Duration	11:00 AM -1:10 PM (IST)

The Govt. of West Bengal has vastly expanded higher education in the last few years while also addressing research quality issues. A major focus from the govt. has been to transform academic research into innovation for its commercialization for economic growth.

Good researchers working on good projects should be given proper support as well as the national knowledge network should be made available to these researchers for research excellence in higher education in India. Now, the journey towards excellence in higher education has begun and eventually it also helps to improve the state's HEI's institutional rankings.

Elsevier can address the above-mentioned need of Indian higher education institutions with Millions of publications from full-text journal articles to authoritative research solutions. The global dissemination strength of Elsevier content and solutions can enable collaboration, funding, and faster technology transfer.

Major Highlights of the Workshop:

Day 1: Research Planning- Research Metrics and Identifying Journals

- Understanding the research workflow
- What are Research Metrics
- Identifying Fake/Cloned/Predatory Journals-Tips and Tricks
- Recognizing fake and dubious impact factors -Careful checking of Databases like UGC Care, Scopus, Web Of Science, ABDC etc.
- Importance of ORCID and DOI in research papers -Understanding Open Access policies of Journals
